### Payment Options

#### Elementary Student Activity Fees (Grades 1-6 only)

In order to help defray/cover the costs of transportation and entrance fees for our NRT Sheep Pasture Program, the Easton Public School system collects activity fees.

#### Pay On-Line (MySchoolBucks)

All elementary student activity fees must be completed online through [MySchoolBucks](#). There are no service fees associated with paying online through MySchoolBucks.

#### Sports (Grades 7-12)

#### Pay On-Line (Sportspilot)

All sports registrations, including payments, must be completed online through [Sportspilot](#). There are no service fees associated with paying online through Sportspilot.

Online registration must be completed *prior to tryouts*. Payment is due any time *prior to the first competition*.

For convenience, most families choose to pay when they register. However, in sports in which roster cuts are made, parents may opt to wait until the roster is set before paying the fee. You may continue registering without actually making a payment.

#### Extra-Curricular Activities (Grades 7-12)

#### Pay On-Line (Sportspilot)

All extra-curricular registrations, including payments, must be completed online through [Sportspilot](#). There are no service fees associated with paying online through Sportspilot.

Extra-curricular registrations may be done after auditions.
