

Easton Middle School follows a Drop-Off and Pick-Up plan to maximize student safety and effectively manage traffic flow before and after school. Two designated drop-off/pick-up areas are marked on the aerial map to the right. The first, marked in red, provides access coming from behind the building on the one-way access road; the second drop-off area along the gym, which provides access from Spooner Street, is marked in blue.

Columbus Ave. (Do Not Enter): Cars cannot enter the parking lot from Columbus Ave. during drop-off and pick-up times. Access to the parking lot and the student drop-off/pick-up area is only possible from Spooner Street.

From the One-way Access Road behind the school:

A row of cones designates the one-lane drop-off area. Students must be dropped off and picked up inside the cones and should not be crossing in front of other vehicles. Please do not use the bus drop-off area at the rear of the building before or after school.

Please pull inside the cones, as far forward as possible, to drop students safely along the rotary. There is no access to the front parking lot from this direction; all vehicles must exit down Columbus Ave.

Picking up students- Please come after the bus dismissal at 2:35 PM

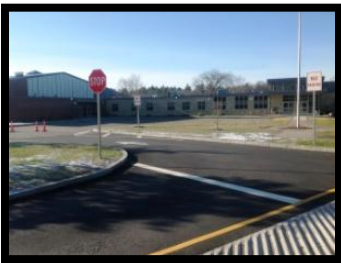

From Spooner Street: This is the only way into the EMS parking area for parking and student drop-off/ pick-up. As you enter the parking area, follow the directional arrows that guide you through the one-way loop to the student drop-off/ pick-up (marked in blue on the map).

One-Way Parking Loop: Cars cannot exit the parking lot onto Columbus Ave. All through-traffic must complete the loop of the parking area and exit using Spooner Street. In the interest of student safety all drop-off/ pick-up must be done only in the designated area and students may not cross through the parking area.

The U-turn: All drop-off / pick-up traffic will be directed around toward the front of the parking area.

The Rotary Area: This area has been posted for No Parking. Please do not stop along the rotary for drop-off/ pick-up. Continue to the drop-off/ pick-up area along the gym.

Gym Drop-Off/ Pick-Up Area: 

All drop-off/ pick-up coming from Spooner St. must be done in the area along the side of the gym.

Parents dropping off and picking up should drive inside the cones and drop off students along the sidewalk, away from parking lot traffic. Signs are posted during drop-off and pick-up times to help manage traffic flow.

Exit Parking Area: All traffic exiting the parking area is now directed down Spooner Street.
