

Easton Early Elementary School Project

Faculty Forum

ON VISION & GOALS

Please join us for a two-hour interactive forum, centered on the current MSBA School Building Project in Easton, including:

A background and an overview of the MSBA Easton Early Elementary School project.

Highlights of next milestones, and an overview of the decision-making process.

A summary of the first two Visioning Workshop sessions.

Opportunity to participate in a "mini-visioning" session, to help shape the goals and values for the schematic design of the Easton Elementary School Project.

October 24, 2018

@ Oliver Ames High School Cafeteria 4:00 pm - 6:00 pm

Forum is facilitated by New Vista Design, Perkins Eastman Architects, and Easton School District Representatives.

We hope to see you there!
