

MESSAGE FROM F.E.E.E.

As many of you are aware, F.E.E.E., The Foundation for Excellence in Education in Easton, was founded in 1989 to bring technology into the schools. Since its formation, F.E.E.E has raised funds to support the expanding technology needs that the Easton Public School's budget cannot. Over the past thirty years, F.E.E.E. has donated over \$1.25 million to directly benefit the students of the Easton Public Schools.

This year, F.E.E.E. is looking to purchase 180 Chrome books for the students of the Easton Public Schools. The cost of 180 Chrome books, and the carts needed to house them, is roughly \$50,000.

This direct donation campaign will run through Monday, August 6, 2018.

This will allow us time to purchase the Chrome books prior to the start of the 2018-2019 school year.

We need your help to reach this goal! Any donation is greatly appreciated.

Please click here to donate today. <http://feeeonline.org/donate/>

For more information visit our website at feeeonline.org or email us at info@feeeonline.org .

Thank you,

Lisa Cary and Amy Siegel

F.E.E.E. Co-Chairs
