

August 2018

Greetings!

Welcome to the 2018- 2019 school year... I hope you are as excited as I am!
My name is Mrs. Glasgow and I am the sixth grade language - based teacher. I am looking forward to meeting the students and to working together to make this school year both fun and productive.

As you may know, team letters have been posted and your child has been placed on the Baxter/ Smith team. In addition to a team letter, you have access to a list of materials that we ask each of the students to bring with them on the first day of school, if possible. As I work on the Baxter/ Smith team, I will be teaching an English Language Arts and Mathematics class in a small group setting (You will see my name next to these two classes listed on your child's schedule).

ALL of the materials on the supplies list will remain the same *EXCEPT* for *two* changes to the math materials:

1. One **1" binder** - in place of a notebook - please do NOT get both!
2. **5 dividers** to be placed inside of the binder - Dividers will be labeled as *followed*:
1. Notes/ 2. Classwork/ 3. Homework / 4. Reference Sheets/ 5. Quizzes/ Tests

Please let me know if you have any questions. I look forward to a great school year and to meeting you soon! Thank you in advance for all of your support.

Take care,

Mrs. Glasgow
