SUPPLIES YOU WILL NEED

The following is a list of supplies that you will need for your classes. Organization is a key part of doing well in the 8th grade and these supplies will help you remain organized in your classes. Red Team has a No Backpack Policy. To help you stay organized, you will need to color code your binders/notebooks for each class. Do you need to buy these specific color binders? NO! You could buy all of your binders in one color and put color construction paper in the front slipcover. You can be as creative as you like to represent the colors needed for class.
