

August 2018

Welcome to the Yellow Team!

Every year presents new opportunities and challenges for all students and we would like to make each student's transition to 8th grade as smooth as possible. In order to begin that process, we would like to provide you with a list of your teachers along with any school supplies and information that you will need. We look forward to meeting each of you and we hope to have a great year full of diverse learning opportunities, such as interdisciplinary units, field trips and activities.

We encourage parents to be aware of the multiple options where students and parents can find homework posted: the Aspen X2 Portal (where you can also see your student's grades), Google Classroom, Twitter and Instagram.

Math - Mr. Cerce

Supplies:

1. A 3-ring binder, just for Math
2. Loose leaf paper for the binder
3. Pencils and erasers
4. Clear paper sleeves
5. [Calculator](#) (TI-301X IIS Scientific Calculator recommended)
