

Welcome to the Finch - Mladenoff Team

Hello,

We hope your summer was fun and filled with fabulous memories! We look forward to a productive, successful year. Together, we will learn about Ancient Civilizations, Life Science, Historical Fiction, Geometry and much more. We know this year will enhance your creativity, strengthen your organizational skills, and expand your view of learning. We will work as a team to teach you all subjects. Mr. Mladenoff will teach Language Arts/Social Studies, and Mrs. Finch will teach Math/Science.

Below are some supplies that will help you get off to a great start in sixth grade. Please try to have these items by the first day of school, **Thursday, August 30**. Yes, this is a homework assignment!

☺ If any of these requests pose a problem, please let us know. Although you will be given a combination lock at school, practicing with a lock at home will help alleviate some stress on the first day of middle school!

- 2 - single subject notebooks (different colors)
- 2 - 3 subject notebook
